

## Library Reading Challenge!

### What:

Your challenge is to read for 20 minutes every day for the month of May. The challenge is from Friday, May 1<sup>st</sup> – Sunday, May 31<sup>st</sup>.

### Online & App Reading Log:

We will be using READsquared to log reading. You can download the app for Android or Apple or you can access online at <http://brailleinstitute.readsquared.com/>

You must register online to use the app. To log your reading you click the “Log Reading” button, type how many minutes you read, what book, and the author. You can track your reading log by clicking on “History”.

When prompted to “find your library or school...” type “Braille Institute”.

### Word Document Reading Log Option:

If you are unable to access READsquared you can use the attached word document. Next to each day write how many minutes you read and what book. An adult must type their full name next to the entry to verify. Any adult in the household can verify reading logs.

### Prizes:

Students who complete the challenge and read for 20 minutes a day for all 31 days in May will receive a [TBD] gift card!
