return, including issues relating to financial statement recognition and measurement. This guidance provides that the tax effects from an uncertain tax position can only be recognized in the financial statements if the position is "more-likely-than-not" to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position, without regard to the likelihood that the tax position may be challenged.

The Institute was organized pursuant to the General Nonprofit Corporation Law of the State of California. The Institute is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code, though it is subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the Code. The Institute has also been recognized by the California Franchise Tax Board as an organization that is exempt from California franchise and income taxes under Section 23701d of the California Revenue and Taxation Code. The Institute has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; to determine its filing and tax obligations in jurisdictions for which it has nexus; and to identify and evaluate other matters that may be considered tax positions. The Institute has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements.

Form 990, Part III, Line 1: Organization's Mission

Braille Institute of America, Inc., was founded in 1919 in Los Angeles,  
California, and is one of the largest most comprehensive blind services  
organizations in the country. The organization's mission is to  
positively transform the lives of those with vision loss. In addition  
to operating a nationally recognized Library for patrons who are blind  
or print disabled, we offer braille publishing services, child  
development services, youth independence-building programs, low vision  
rehabilitation services, adult educational classes, and we are a leader  
in the promotion of braille literacy through North America.

Services are available through our Los Angeles headquarters and six  
regional centers: Anaheim, Coachella Valley, Laguna Hills, Riverside,  
San Diego, and Santa Barbara. A nonprofit organization, Braille  
Institute is operated and funded almost entirely through private  
donations. We offer a hybrid service delivery model. Group engagements  
(classes/workshops) and one-on-one instruction are available both  
in-person and remotely. Students can choose the option that works best  
for them and their circumstances. Remote services have helped expand  
our overall reach, changing more lives for the better. All services are  
provided free of charge.

placing themselves in positions in which their personal interests are, or  
 may be, in conflict with the interests of Braille Institute," and continues  
 on to provide certain guidelines on which to consider actual or potential  
 conflict situations. The policy requires directors and officers to

After the Board's investigation is concluded, the board shall vote on  
 whether to authorize or approve or disapprove of the conflict of interest,

 Board or Executive Committee may conduct the investigation and report to  
 the Board at the Board's next meeting whereupon the Board will vote on the  
 conflict of interest, excluding the vote of the interested director." The
