### IMPORTANT NOTES

- Use only **ONE** Contest Face Sheet **per contest** regardless of number of passages, etc. (See Example 1)
- The score written in No. 7 should be the total for **ALL** passages, etc., not for the individual passages. For example, if a student completed two passages for Reading Comp, the score in No. 7 should be the **total for the two passages**, and there should be only one CFS for Reading Comp. There should be one CFS for each contest category.
- If a student did not take a particular contest, please fill out Nos. 1, 2, 3, 5, 8, and place an "X" after "Did Not Take". (See Example 2)
